

The background is a repeating grid of stylized houses. Each house has a triangular roof, a door, and a window. The colors for the roofs, walls, and doors vary across the grid, including red, green, blue, purple, and brown. Some houses have small clouds or suns in the sky above them. The word "COMING" is written in large, white, bold, sans-serif capital letters, slanted diagonally from the bottom-left towards the top-right, across the center of the image.

COMING
